Handles Collection

Every piece of horn is individually engineered to ensure our handles are as perfect as humanly possible. We currently offer three ranges of handles – our “Original Range”, our “Leather Collection” and our “New Collection”. We can also make handles in different sizes and designs to a client’s specific requirements.

Alle Preise sind Netto + 19% MwSt. + Fracht / Lieferzeit ca. 6 - 8 Wochen nach Zahlungseingang
Umtausch oder Rücknahme sind nicht möglich.

Sonderanfertigungen sind möglich, bitte mit Zeichnung anfragen.

Leather Collection

Developed alongside our Original Range, the Leather Collection offers a softer, tactile finish. Vegetable tanned leather is used for all of our leather elements. The process uses bark extracts, fruit, leaves and roots to infuse the hide with rich, deep colour. While it's a more lengthy process than chrome tanning, we consider vegetable tanning a worthwhile technique both to preserve the traditional practice and to uphold our commitment to sustainability.

Additional Information

Bespoke handles are available as well as semi customisation of existing handles, projection, length etc

Metal finishes - Polished Brass, Brushed Brass, Antique Brass, Polished Nickel, Brushed Nickel. For bespoke colours and finishes please get in touch.

Please note all our metal finishes are a living finish and will naturally change with age. They are finished with a tough wax which will naturally wear depending on use. We do not lacquer any handles unless specifically requested. Codes for our available metal finishes below:

Polished Brass (PB)
Brushed Brass, (BB)
Antique Brass Light (ABL)
Antique Brass Medium (ABM)
Antique Brass Dark (ABD)

Horn - Horn is a natural material and varies in colour. Please note the pictures are not representative of every piece of horn. For specific colour requests please speak to us. We have three categories:

80/20 - 80% Pale and 20% Colour
50/50 - 50% Pale and 20% Colour
20/80 - 20% Pale and 80 Colour

Leather - Leather will naturally age depending on the amount of use.

Dark Tan (DT)
Mid Tan (MT)
Mid Green (MG)
Dark Green (DG)
Burgundy (BRG)
Chestnut (CHST)
